NOTICE OF REGISTRATION OF TRADE NAME

Part 215 of the Department's Regulations (14 CFR Part 215) provides that any carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register such name after the carrier gives notification of the proposed use of the name to similarly named carriers.

Delta Air Lines, Inc. (Delta) is a certificated air carrier that holds numerous certificate and other authorities authorizing it to engage in interstate and foreign air transportation of passengers, property and mail. The carrier recently announced plans to begin a new low-cost service using the name of "Song". On February 11, 2003, Delta filed a request that the Department register "Song" as a trade name for the carrier to use in its air transportation operations. Delta advises that it knows of no other certificated, commuter or foreign air carrier using a similar name.

After reviewing our files, we have identified no other air carriers using a name similar to "Song". Under these circumstances, we hereby register "Song" as a trade name to be used by Delta in its certificated air carrier operations.
